# APPROACH

ADVENTURE  
TRAILER

**THE APPROACH** is a larger design focused on additional living space, added comforts, and more sleeping capacity. We've stayed true to our values and ensured our customers can continue to take 'the road less travelled' with a little more space and a few added comforts.

**MISSION**

You've asked and we've listened! Many of our followers have asked if we have plans for a larger unit. While we have been busy building the Summit model for our loyal customers, we have been working behind the scenes to build a larger unit for those who want it. While we have kept the details of "The Approach" under wraps, we thought we would share some of the key features.
